

**HISTOTECHNOLOGY**  
SOCIETY OF NSW

## Virtual Educational Session

Saturday 26<sup>th</sup> March 2022 10:00am to 12:00pm

# Urinary System Histology

Join us for an exciting presentation by Dr. Tamara Szynda

This is a refresher and update on urinary system histology, kidney anatomical features (cortex, medulla, calyces, papillae and pelvis, microanatomy and function of the nephron, juxtaglomerular apparatus, tubules and ducts), as well as the histology of the ureter, urinary bladder and urethra and their urothelial lining.

**A question and answer session with Dr. Szynda will follow.**
